Every child will get a picture in their costume(s) during their class time. We will email you a link to order pictures once they become available.

Your dancer's costume, hair, and makeup information has been sent out via email. Please follow our written directions NOT the costume picture.

PICK UP

Important: All of the dancers will participate in the finale at the end of the show. After the finale please have **only one parent** return to the area where your dancer was dropped off to pick them up. This is a smaller hallway so it is important that only one parent picks up, while the rest of your party exits to the lobby. Everyone else please exit the theatre as quickly as possible. Please do not congregate in the lobby and exit the building as soon as the show is over, as there is a quick turn-around between shows.
